Punarsangam

A Quarterly Alumni News Letter - 2016

Message of Honorable Chancellor

Dr. Patangraoji Kadam

I congratulate United Brethren, the Alumni Association of BVIMR on this occasion of Alumni Meet at Mumbai, being organized jointly by Mumbai and Pune Chapters. I understand that this Newsletter ; Punarsangam, which has gone Electronic; E-Newsletter, is what had been my vision when I started Bharati Vidyapeeth, when I was 18 years of age; **the vision of social transformation through dynamic education."** Dynamism means, being adaptable, transformable, changeable, and flexible. While, this endeavor of going digital, demonstrates that my vision is being brought into execution as well, and my team headed by inspiring Directors are sensitive towards this social cause of Environment as well. Their concern even in bringing out this Newsletter, and conserving the natural resources on one hand, while on the other demonstrating the technological resonance that BVIMR stands for.

I congratulate Dr. Vikas Nath and his dedicated team, and all the members of United Brethren, who are doing this commendable service to bridge the Industry-Institute gap(s), through Corporate Training Workshops, Placements, and most importantly by showing their Brotherhood by organizing these meets, thereby providing a platform to connect, and execute the mission of BVIMR through this E-Newsletter., i.e. **"To nurture pervasive appliance of ICT for embellishment of teaching, learning and development for efficacious system inception"** with finesse.

Dr. Patangraoji Kadam

Message of Honorable Vice - Chancellor

Dr. Shivaji Raoji Kadam

In this Global, Hi-Tech, Digital Era, we are all connected, but that humane element that is very much required is missing. I am very glad that United Brethren has grown so much with new chapters launched last year in Dubai, and Patna. The resultant effect of these endeavors are very fruitful. Although, the networking, placement, industry-institute connect has to happen, as a result of synergies developed; the vital element of these alumni meets is the development and sustenance of the **spirit of camaraderie**.

This alumni meet of Mumbai-Pune Chapters is another step forward towards realization of mission of Bharati Vidyapeeth; **"to develop national and international networks with industry, NGOs and research institutions to address the expectancy concerns of stakeholders."**

I appreciate the remarkable efforts of United Brethren, the Alma Mater of BVIMR that is contributing perennially towards furthering the interests of Bharati Vidyapeeth's stakeholders, most importantly, the students. The strength of any Institution is gauged by its alumni, and I feel very proud that United Brethren has such an excellent track record of giving back to the Institution, and that is in itself very fulfilling for me, as I see that BVIMR's students are not only achieving their goals, they are equally concerned to serve, to serve their families, their Organizations, their society, and most importantly, BVIMR their own Institution itself. So, my dream of developing responsible citizens is being achieved year by year, and I congratulate Dr. Vikas Nath and his entire team of BVIMR for being such valuable assets for Bharati Vidyapeeth Parivar.

Dr. Shivaji Raoji Kadam

Message of Honorable Secretary

Dr. Vishwajeet Kadam

The vision of BVIMR, **“to be a world class management institute for social transformation through dynamic education,”** is conceived to be achieved through quality assurance policy parameters, out of which an important one is, “to further the creation of learner centric, altruistic learning ambiance, to facilitate outcome based quality education, learning, training and development”. This Alumni Meet of Mumbai-Pune Chapters of United Brethren, is a notable step towards this, and I congratulate United Brethren Team members for organizing this Meet.

The prevailing corporate sector is vying for professionals who are good at both hard and soft skills, and, alumni meets are doing a commendable service to provide the occasion for networking among BVIMRites, thereby abridging the soft skills' gap(s) among students. These kinds of Alumni Meets not only bring forth the opportunities in the forms of placements and trainings, they also highlight the value additions that Bharati Vidyapeeth have enveloped their educational programmes with, as the success of the members of United Brethren has to be seen to be believed.

I wish all the best to United Brethren, and appreciate the initiatives taken by the new team.

Dr. Vishwajeet Kadam

Message of Director

Dr. Vikas Nath

Director: BVIMR, New Delhi
President, United Brethren

Dear Friends,

Heartiest Greetings and Congratulations to United Brethren on this wonderful occasion of Alumni Meet of their Mumbai-Pune chapters. I would say, in this Digital Era, we all are already united, thanks to the Social Media, but yes, meeting personally is what enlivens and rekindles the spirit, the spirit of BVIMR, the spirit of being One, the spirit of integrity, the spirit of commitment, the spirit of contribution, the spirit of social transformation, and hence; the spirit of Bharati Vidyapeeth. This very spirit is being once again projected with the launch of an electronic newsletter; **"Punarsangam; E- Newsletter"**, thereby demonstrating that we are sensitive towards the environment and our Mother Earth. This is truly the Sangam of spirits in the form of all Chapters that have manifested through a Book, titled; United Brethren.

Ever since I was handed over the charge of Bharati Vidyapeeth Deemed University Institute of Management and Research, (BVIMR as we all address it), by Honorable Chancellor Sir, Dr. Patang raoji Kadam, in July, 2014, I always looked forward to propelling the Transition in this flagship Management Institute of Bharati Vidyapeeth. The kind of Trust, Faith and Confidence that Honorable Chancellor Sir, Honorable Vice-Chancellor Sir, Dr. Shivaji Raoji Kadam and Honorable Secretary Sir, Dr. Vishwajeet Kadam have bestowed upon me and my learned faculty colleagues of BVIMR is something that I am very much thankful to.

I have also felt, believed and experienced that **"One's Network is One's Net worth"**. It's here that the Alumni Association; the United Brethren has contributed immensely. My heartiest congratulations to this Alma mater of BVIMR that has been doing commendable work ever since its inception.

Most importantly, with this new team; Mr. Ambikesh Singh as its Vice-President, Mr. Pramod Kumar; Secretary; Mr. Ajay Kumar; Joint Secretary, Mr. Subhash Jetly; Treasurer, Ms. Akriti Batra; Public Relations Officer, Mr. Jaideep Bajaj, Mr. Kavita Sharma, Ms. Kaveri Sabrawal and Mr. Mukesh Madan as its executive members, United Brethren, that I generally address as UB i.e. *You Be with BVIMR* always, and the appreciating work that the entire Alumni Association is doing is to be seen to be felt.

Whether, it be the Alumni Mentoring program, christened as SAARTHI, or launch of New Chapters at Patna and Dubai, or organization of Milap, 2015, which was for the first time blended with the Corporate Meet, resulting to placement and corporate connect network development for BVIMR, Team UB is meaningfully contributing to the growth and development of this wonderful Institute. The biggest achievement by them being the record number of Summer Internships they helped provide BVIMRites.

I also place on records, the sincere efforts of Dr. A.K. Srivastav, Ms. Neelam Sharma, Mr. Ajay Kumar and Ms. Minakshi Sati, the BVIMR'S Faculty Advisors, who have always supported me and doing the needful to develop this rich alumni connect with students of BVIMR.

On the occasion of this Alumni Meet, and launch of UB's **E-Punarsangam**, I invite all of you to join **United Brethren**, and be a part of the **Transition Era** of Bharati Vidyapeeth by taking this Alumni Association to newer heights.

You all can contact Dr. A.K. Srivastav at srivastav64@gmail.com or log on to www.bvimrpot.com

With best wishes,

Dr. Vikas Nath

ALUMNI SPEAKS

Mr. Ambikesh Singh

MBA Batch (2002 – 2004), Vice President – United Brethren

I am proud that I have done my Masters from Bharati Vidyapeeth Institute of Management & Research. MBA degree equipped me with all the basis tools to enter into the competitive corporate world. Two years at Bharati Vidyapeeth taught me all the mantras of success. On the occasion of Inauguration of Alumni Newsletter – UB -Punarsangam it's my honour to congratulate all the members of Bharati Vidyapeeth Alumni community. There are many things which I personally know that Bharati Vidyapeeth's Alumni has done for the well-being of the society & I know that in coming future Bharati Vidyapeeth brand will become much more stronger force to reckon with.

Congratulations once again to each & every member of Editorial team of UB – Punarsangam .

Mr. Mukesh Madan

Executive Member – United Brethren, MMS batch (1992-95)

I feel so blessed to have an opportunity to study in BVIMR, New Delhi. There are many things to say about the goodness of BVIMR but most important is all round experience. I found the faculty very much cooperative and friendly. Students get chance to learn more and more BVIMR gave me the torch to guide me on my way towards successes and achieving my goals.

Best wishes to BVIMR!!!!!!

Mr. Jaideep Bajaj

MBA BATCH (2011- 13) Executive Member – United Brethren

The best thing happened to me during two years of MBA was that I learned a lot about myself. Institute helped me to develop very positive attitude towards work and also developed leadership quality in me. There were seemingly limitless extracurricular activities which led me to a journey of self-discovery. Through interactions with classmates, professors as well as other college staff, I earned a "degree" in people and social skills that I did not even sign up for.

I am glad & thankful to everybody. Cheers!!

Kaveri Sabharwal

BBA (2007-10), Associate Member

BVIMR had given me the platform to sculpt myself professionally and personally into what I am as an individual today.

For me, BVIMR has been more about the people whom I have met and interacted/worked with and it would be them who would be one of my most important takeaways from here, along with my educational experience. I want to convey my gratitude to the Director, Faculty, Staff and Student, without whom I would have not been able to deliver my best.

I would always be indebted to this great college and to all of you!

MANISH KUMAR

1998-2000 MBA BATCH

It feels like yesterday when the name BVIMR circles around while talking to batch mates or filling up any form.....even though it's been 15 years I passed out from BVIMR - New Delhi.

Was so casual during those 2 years, but the proud feeling while naming the institute I passed from.....can't express, can only be felt for the beautiful remembrance of class room, faculty, extra-curricular participation opportunities.....remembrance of Gola market (bunta spot) are still live in heart and comes so frequent while discussing with seniors, batch mates or juniors we are in touch with.

With above and lot more.....wish to convey my thanks to Director Sir, faculty of BVIMR, proud students cum friends for they stood by us while molding our personality to enable us stand straight and firm on every ladders of our success

Alumni association of BVIMR, It is a privilege to be a part of this wonderful tradition, where there is always a scope to grow, to prosper, to explore and to what not.

I can sum up with only one line that I am a proud alumni of BVIMR.

Educate a Girl, Educate a Nation

- Jaideep Bajaj

**“Educate a man and educate one person.
Educate a woman and you educate the whole family.”**
- Jawaharlal Nehru

Female education in India has improved through ages, and women in India have come a long way since the Purdah System. Female education in India is not a gift of modern civilization. India has always been a relentless champion of the cause women at all international and national front.

In the Vedic Period girl had access to education, but gradually they had lost the right. In the Medieval India the Islamic invasion played a vital role in restricting freedom and rights of women and deteriorated with the introduction of Purdah System. Women education in modern India is traced back to the years after the independence. In the present times, the government of India takes measures to provide education to all women of the country.

Necessity of educating a women are for the empowerment of women, economic, check on social evils, increase in the revenue of the family, part in household activities and have proved that lack of education affects the general health of the family.

This proves that educated women promote education in their family. Giving her education will give her sound mind to reason, to liberate her from poverty, and develop her as well as the nation in which she lives. With education, the girl child can become a self-sufficient adult who has more decision and control over her life.

Therefore, recommends that education should be made accessible to the girl-child at all levels and awareness programs should be floated and fostered to redeem the image of the girl-child to make the world a better place for her to live in.
